In continuation of my letter cited, I forward herewith a copy of letter No.327-G2-B/55 dated 9.11.1955 received from the Principal, The Kasturba Medical College containing proposals for creation of two more posts of Honorary Assistant Medical Officers (One Surgical and one Medical) in the Government Headquarters Hospital, Mangalore. In the circumstances stated therein, I recommend that sanction may be accorded for the creation of two more posts of Honorary Assistant Medical Officers in the Government Headquarters Hospital, Mangalore.

Yours faithfully,

VBS/7.12. DIRECTOR OF MEDICAL SERVICES.

Copy of letter C.No.327-G2-B/55 dated 9.11.1955 of the Principal Kasturba Medical College, Manipal addressed to this office.

While forming the three units in each of the Medical and Surgical departments in the Wenlock Hospital for clinical teaching to the students of the Kasturba Medical College, it was proposed to have the following staff:

1. One Honorary Medical Officer.
2. One full time Civil Assistant Surgeon to be posted by the Director of Medical Services (Tutor).
3. One Honorary Assistant Medical Officer who will be appointed as a part-time Tutor.

Accordingly, four Honorary posts have so far been sanctioned, two for the Medical and two for the Surgical sides. This was done before the third medical and surgical units were formed. Now that the three units are functioning, there is a necessity to have honorary assistant Medical Officers (Part-time tutors) in the third Medical and Surgical units as well.

I, request that the Government may kindly be addressed to sanction the post of two Honorary Assistant Medical Officers in the Wenlock Hospital to work in the Medical and Surgical units under the control of the Honorary Physician and Surgeon who have collateral duties in the College as Professor/Reader.
